November 12, 2021

SUBJECT: The Leaders Bank signs definitive agreement to be merged into Providence Bank & Trust

To our Valued Customers,

Since 2000, Leaders Bank has been a trusted, reliable community partner, providing essential services to you, our customer. Over the years, we have become more than just a bank. We have become your loyal partner.

The Leaders Bank, along with Providence Bank & Trust, today announced that we have reached an agreement whereby Leaders Bank will be merged into Providence Bank & Trust with plans to combine operations. This is pending regulatory approval which we anticipate in early 2022.

The Leaders Bank chose Providence Bank & Trust as a merger partner to enhance the services and products available to you. Providence Bank & Trust will provide enhanced capabilities to serve you such as wealth advisory and trust services, commercial equipment leasing, enhanced digital banking products and increased lending options for both individual and business customers. We are confident that Providence Bank & Trust will provide a rewarding banking experience.

Like us, Providence Bank & Trust is a community bank committed to strong customer service and serving the needs of our communities. We have the utmost confidence that Providence Bank & Trust will continue our long-standing tradition of high touch relationship banking that you've come to enjoy.

In the meantime, there are no changes to any accounts or pending transactions, including loans and lines of credit. Your accounts will continue to function as they always have, and you do not need to do anything differently at this time.

We look forward to the opportunity that Providence Bank & Trust will bring to our customers and community. We will update you on additional details as they become available. If you have any questions, please ask any of us in the bank or call us at 630-572-5323.

We're looking forward to continuing our service to you on this new journey.

Sincerely,

William Gleason
President
The Leaders Bank
